ABOUT THE COURSES

The MEC + CMA course is a comprehensive program designed for students to register for the CMA Foundation Exam after the 10th grade, accelerating their path to becoming Cost and Management Accountants. Training begins at the Plus Two level, equipping students with a strong foundation in the essential subjects required for the CMA journey. This early preparation offers a strategic advantage by enabling students to master the CMA curriculum

THE CMA FOUNDATION COURSE COVERS 4 KEY SUBJECTS :

Paper 1: Fundamentals of Business Laws & Business Communication
 Paper 2: Fundamentals of Financial and Cost Accounting
 Paper 3: Fundamentals of Business Mathematics & Statistics
 Paper 4: Fundamentals of Business Economics & Management

For MEC students, three of these subjects Accounting, Quantitative Aptitude, and Economics closely align with their Plus Two syllabus, easing the pathway to success in the examinations. Below is a detailed outline of the fee structure, study duration, articleship opportunities, and the complete CMA course process flow.

FEES STRUCTURE

COURSE NAME	STUDY PERIOD	BOI / ICAI Reg fees	EDPLOY FEES	TOTAL FEES

Founder's Message

With a strong belief that talent lies in every corner of our country, I—CA Ashok Kumar, also a qualified CMA—embarked on a journey to bring top-tier CA coaching to the heart of rural India. Fueled by a deep aspiration to empower students beyond urban boundaries, I, along with my dedicated partners, founded this initiative to bridge the gap between ambition and access.

Our vision is to provide not just academic excellence but also real-world exposure through experienced faculty, structured mentorship, and personalized guidance. We are committed to nurturing confident professionals who are not just exam-ready but career-ready. Together, we aim to rewrite the narrative for students from smaller towns and villages — proving that with the right guidance, no dream is too distant.
